Chelsea is an actress and educator who is passionate about the arts. She fell in love with theatre at the age of 12 when she was casted as Princess Briar Rose in her first stage play called 'The Sleeping Beauty'. She then attended college at Louisiana State University where she obtained her Bachelor's degree in the Fine Arts.

During her college career she was casted in more plays at the Shaver Theatre and began to tap into film. After graduating, she made a drastic decision to move to Atlanta and pursue her dreams. Additional training was needed to fully transition into the film and television industry so she enrolled in classes at The Alliance Theatre, Higher Elevation Studios, and Act it Out Studios to become more educated in her passion.

Since then, Chelsea has signed with an agency and became Sag Eligible. You may see her on Amazon Prime, TV One & many commercials. Besides acting Chelsea enjoys teaching and educating her peers about the arts and also how to live a healthy lifestyle. She has 3 recipe books published on Etsy along with a blog called 'Getrightwithpnc' where she posts about nutrition and advice on how to stay healthy & fit. She

incorporates this with her acting.
